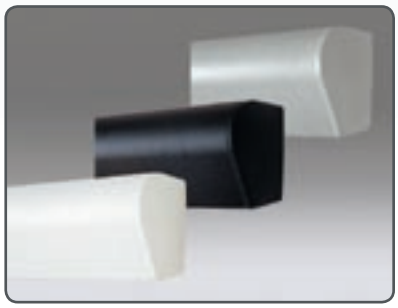
SILHOUETTE SERIES

WITH A HIGH-TECH APPEARANCE

Silhouette/Series M

Silhouette/Series C



FEATURES

- The Silhouette's case conceals everything: mounting fixtures, fasteners, and even the dowel retracts inside the case
- The innovative case installs cleanly, and the front fascia removes easily for access to the inside components.
- Its slender fascia and endcaps are made of gently radiused aluminum and presents a strikingly modern appearance.
- There is no need to conceal the Silhouette—it will complement the other high-tech equipment in your room.

Silhouette/Series M—is spring-roller operated. Your choice of a conventional viewing surface: Matt White, Glass Beaded or High Contrast Grey.

Silhouette/Series C—is operated by a slim, polished aluminum crank, which may be detached for storage. Features Draper's Tab Tensioning System for a perfectly flat projection surface. Choose M1300, M2500, HiDef Grey or Cineflex rear projection viewing surface. *See page 10 for more on the benefits of Tab Tensioning.*

OPTIONS

- **AutoReturn Roller—**The screen unrolls in the conventional manner, then slowly and gently retracts after a simple tug on the handle. *See lower left for more details.*
- **Case Finishes—**Choose a white (standard), black or dove grey lightly textured finish *(see samples shown on the left)*
- **Extra Drop—**Up to 8′ overall height, either white or black (White is standard for Series M in AV format. Black is standard for Series M in all other formats and for all Series C screens).
- **Black Masking Borders—**Borders are optional for Series M in AV format. Borders are standard for Series M in all other formats and for all Series C.

U.S. Patent No. 5,296,964 and 6,111,694.

AUTORETURN

INTRODUCING AN IMPORTANT NEW IMPROVEMENT IN SPRING ROLLER DESIGN

Now available as an optional upgrade on selected models of Draper wall- and ceiling-mounted screens, the AutoReturn spring roller includes a built-in inertia reduction mechanism. With AutoReturn the screen unrolls in the conventional manner, then slowly and gently retracts to the closed position on its own after a simple tug on the handle. AutoReturn is available on **Salara/Series M, Silhouette/Series M, Access/Series M, Luma 2, and Luma.**

Patent Pending.
